

Dear Sir/Madam,

Date : 21-08-2020

I am writing this letter of recommendation to Miss. Pavithra Devi Murugesan Student of Anna University (BIT campus), trichy, has successfully completed One Month Internship program from 20 July 2020 to 17 August 2020 in Data Science at Technocolabs Indore. During this Internship she Found very punctual, hardworking and inquisitive and because she worked in our company for one month Internship program. During her time in our company she demonstrated a good work ethic and interpersonal skills. We outlined a Scope of work to be completed, and she successfully completed that work in the time given time period. She put extra hours as necessarily in order to meet Specific deadlines that we set. We teamed her up with another Students to work on the project. She seemed to work well with the other student, and we found very personable. She put in sufficient work to be a Data Science Developer, Overall Strongly recommend her for a position in Data Science Developer.

Additionally, Miss. Pavithra Devi Murugesan Worked On Various Technologies for development of Project on time. She Demonstrated professionalism and respect by timely submitting her projects and communicating clearly with project team. Our team was impressed by her final Internship presentation. which is reflected her growth as a promising expert in Software Developer and Researcher in Data Science Field. We are confident she will be a strong asset to any company.

Sincerely,

Yasin Shah
Founder & CEO Technocolabs
